Warrant

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Clarksville, in the County of Coos, in the State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Clarksville, on Tuesday, the 8th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

4. To see if the town will vote to accept State Aid for construction of T. R. A. roads and if so raise and appropriate the sum of two hundred eleven dollars and seventy five cents.

5. To see what action the town will take regarding building a garage for town equipment and raise and appropriate money for same.

6. To see what action the town will take regarding the improvement of the town hall and raise and appropriate money for same.

7. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 22nd day of February in the year of our Lord nineteen hundred and forty-nine.

ALBERT G. BIRON
GEORGE W. ANDERSON
FONROE CHAPPELL

Selectmen of Clarksville

REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF CLARKSVILLE

made by

THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

March 26, 1948

Board of Selectmen
Clarksville, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Clarksville which was made by this Division. This audit covered the fiscal year ended December 31, 1947, and the period from January 1st to March 3rd, 1948. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

I Fiscal Year Ended December 31, 1947
II Period January 1st to March 3rd, 1948
III Statistical Tables Covering Ten Year Period

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

Financial Statements

Comparative Balance Sheets, Dec. 31, 1946-Dec. 31, 1947: (Exhibit A)

Comparative Balance Sheets as of December 31, 1946 and December 31, 1947, are presented in Exhibit A. As indicated therein a change in the financial condition of the town amounting to $13,700.67 took place during the year, which started with a Surplus of $3,639.20 and closed with a Net Debt of $10,061.47.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the town during the year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1947, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of $1,937.62, less a net revenue surplus of $123.46, resulted in a net budget deficit of $1,814.16.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1947, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1947 and March 3, 1948, is indicated in Exhibits F and N, respectively.

Statistical Tables:

The third section of the report is comprised of statistical tables covering the ten year period from 1937 to 1946. These are as follows:

I Comparative Balance Sheets
II Comparative Statements of Indebtedness, Valuation and Taxes
III Comparative Statement of Taxable Valuation and Taxes Assessed

Audit Procedure

The accounts and records of all town officials charged with the custody, receipts and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified.

General Comments

Board of Selectmen:

Incomplete Records:

At the time of our audit, March 3, 1948, no book record of vouchers issued by the Board of Selectmen had been made since February 25, 1947. The auditors were therefore obliged to list each expenditure under the proper classification account in order to arrive at the final totals for the fiscal year.

Entries of vouchers issued should be kept up to date at all times by the Selectmen. When this is done comparison between appropriations and expenditures may be made from time to time. This serves as a means of preventing overdrafts of appropriations which often occur as the result of the lack of proper information.

Temporary Loans Outstanding:

At the close of the fiscal year, December 31, 1947, there were outstanding temporary loans in anticipation of taxes amounting to $8,000.00. These notes were paid January 19, 1948. Payments of the notes should have been made before the close of the fiscal year as there were ample funds in the town treasury for this purpose. The actual maturity date of the notes was December 1, 1947.

County Tax:

It was also noted that the payment of the 1947 County Tax was deferred until February 3, 1948. As in the case of the temporary loans, the County Tax should have been paid prior to the close of the fiscal year.

Notes Issued for Purchase of Trucks:

As authorized by vote of the town at a Special Town Meeting held on September 27, 1947, the Board of Selectmen and Town Treasurer issued serial notes in the amount of $11,700.00 payable to the Farmers Guaranty Savings Bank of Colebrook. A bank draft of like amount was issued to the order of the Town of Clarksville by the Farmers Guaranty Savings Bank on September 29, 1947. This draft was endorsed by the Board of Selectmen of Clarksville and given by them to Scott Machinery, Inc., as payment for a truck and plow the purchase of which was authorized by the Special Meeting of September 27th. Subsequently the draft was deposited to the credit of Scott Machinery, Inc., in the First National Bank of Concord.

Because of the method in which this transaction was handled no record of it appeared in either the Selectmen's or Treasurer's accounts. The proper procedure would have been to turn the proceeds of the note over to the Treasurer to be deposited in the town account, and for the Selectmen to issue a regular voucher and order in payment for the truck and plow. Such pro-

cedure is required by the provisions of Chapter 59, Section 13, of the Revised Laws of New Hampshire, which reads in part as follows:

> "13. Financial Duties. The selectmen shall pay all sums of money received by them in behalf of the town to the town treasurer immediately after receipt, and state to him from whom and for what received. They shall draw orders upon the treasurer for the payment of all accounts and claims against the town allowed by them, and take proper vouchers therefor x x x x x x x x x x x x"

Town Clerk:

During the year ended December 31, 1947, the Town Clerk remitted to the Treasurer $130.69 on account of motor vehicle permits and $14.40 on account of dog licenses. This was on account of funds received from these sources during 1946.

No remittances were made to the Treasurer during 1947 for funds received by the Clerk that year and as of December 31, 1947, the Clerks cash on hand was as follows:

Motor Vehicle Permits Issued	$299.00
Dog Licenses Issued	22.00
	$321.00

From January 1st to March 1st, 1948, motor vehicle permits and dog licenses were issued amounting to $24.31. No remittances were made to the Treasurer during this period so that on March 1st, 1948, the Clerk's cash on hand amounted to $345.31. On March 3rd, 1948, the Clerk made a remittance to the Treasurer of $343.11, leaving a balance due the town on that date of $2.20.

Chapter 116, Section 22 of the revised laws, as amended by Chapter 14 of the Laws of 1947, relative

to motor vehicle permits issued by town Clerks, provides as follows:

> "22. Accounting. Each designated city official and town clerk shall keep an account of the money received by him for said permits and deposit the same in the city or town treasury on the last Saturday of each month, to be used for general purposes of the city or town. Failure so to deposit shall be cause for immediate removal from office. Town clerks shall be paid on orders drawn on the town treasurer by the selectmen fifty cents for each permit issued."

The town clerk, therefore, failed to comply with the provisions of this law during the years 1946 and 1947.

Town Treasurer:

The town treasurer's cash book reflected entries of receipts and expenditures only up to February 25th, 1947. It is important that the treasurer's cash book be kept up to date in order that the balance of funds in the town treasury may be known at all times. This will prevent the incurrence of bank overdrafts which it was noted had occurred from time to time.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Clarksville for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Clarksville qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1949, at 2 o'clock in the aftrnoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors Committees, or Officers chosen and pass any vote relating thereto.

7. To choose Agents, Auditors, and Committees, in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district,as determined by the school board in its annual report.

9. To see if the District will vote to transport high school pupils living more than two miles from the school to which they are assigned.

10. If the preceding article is adoted, to see what sum of money the District will raise and approiate to pay for the transportation of high school pupils.

11. To transact any other business that may legally before this meeting.

Given under our hands at said Clarksville this 10th day of February 1949.

S. ARDES HAYNES
NELLIE E. WISWELL
S. ELSIE FURGERSON

School Board

SUPERINTENDENT'S REPORT

To the School Board and the Citizens of the School District of Clarksville:

Foreword

One living here in our beautiful North Country has but to observe the constant stream of raw materials on the way to market, mill of factory, as the case may be, to realize the extensive power that already has been attained over nature. A bit of reflection, however, makes us see that it would be ironic to extend this control without the maturity of mind to know what to do with it.

Of even more vital concern to us, than the ways and extent to which we are using these natural materials round about us, is the reason for their use. We have traveled so far and so fast by the various "means" provided that the tendency has been to overlook the "ends." It is questionable if there ever was a time when the need for serious thought on the future was any more important than at the present time. Today, with the perfection and efficiency that has been attained in so many different skills, it is urgent that the emphasis be not on the "how" but rather on the "for what."

With the acceptance of this premise, the role of public education becomes more embracing than ever before. For what we are as well as where we are tomorrow, and for generations to come, will depend largely upon the character of our schools and the teachers who teach in them. Not only the special talents which our boys and girls develop while at school, but also their attitudes, understandings and appreciations, the frame within which they will make their future lives, will be determining factors for the place that America holds in the world during the years that follow.

Teachers

It is gratifying to report that Pearl B. Hawes returned as Principal and teacher of Grades 1-4, and Ruth E. Robie to teach Grades 5-8.

Buildings and Equipment

With the completion of the installation of a fire escape on the rear of the building and the installation of a dry well for the septic tank to drain into, the present school building is well equipped with safty precautions and sanitation measures.

Enrollment and Attendance

The enrollment continues to increase steadily, there being a total of 40 pupils in the two rooms. This is an increase of five over last year. The percentages of attendance for the past year were 93.49 for Grades 1-4, and 94.14 for Grades 5-8. The average number of tardiness cases was .7 and .78 respectively for the same groups.

Four tuition puplis are attending Pittsburg High School, and one is attending Canaan High School.

Notes on the Budget

The School Board's budget for 1949-50 totals $10,105. as compared with $9,282. for last year. Since it is anticipated that no state aid will be forthcoming due to a proposed change in the formula used to determine the amount allotted to local districts, the requested appropriation is the same as the budget. If it were not for this loss of income, it can be seen that the amount asked for would be slightly above that requested for last year.

Health

With the employment of Phoebe H. Stevens as school nurse for the supervisory union, the district is

receiving the health supervision and follow-up work which is of material help in maintaining an efficient school.

Legislation

The present year promises to be an important one in the consideration of legislation that will affect education. Several new proposed laws as well as numerous changes in and amendments to the existing laws will be presented to the Legislature. Of vital concern to the local districts are the adoption of a full equalization formula for the distribution of state aid, teachers' retirement, additional state aid for cooperative school districts, state aid for building programs, and state aid for the compulsory transportation of high school pupils.

Conclusion

In conclusion may I point out once more the ever increasing responsibility that must be accepted by our schools. As important as is the provision of every adequate and feasable means in the broadening of the minds of our youth, it is of even greater importance that they be deepened to the extent that adaptions to life's many and perplexing situations become progressively more constructive.

May I again express my deep appreciation to the members of the school board, parents, teachers and citizens for the counsel and help received in our efforts to maintain high standards in our schools.

Respectively submitted

ERNEST B. DANA

Superintendent of Schools
